To whom this may concern

We are delighted to recommend **Anish** for their valuable role as a core member of the **Photography and Editing Team** in the Startup Club at VIT Bhopal University.

Their unwavering dedication, creative input, and strong team ethic have significantly contributed to the success of various projects. Whether executing tasks or offering ideas, they've shown both reliability and passion making them an integral part of the team's growth.

With a blend of creativity, diligence, and team spirit, they've consistently added value to every initiative they've been part of. Their thoughtful approach, problem-solving mindset, and quiet reliability make them an essential part of the team's foundation. They bring not just effort but excellence to the table.

We proudly acknowledge their efforts and wish them continued success in their journey ahead.

Warm regards,

Startup Club

VIT Bhopal University.
